

LSU Faculty Senate Resolution 08–08

“Endorsement of LSU Administration Efforts to Secure Funding”

Sponsored by William Daly

Whereas the University needs \$18.7 million to carry forward the Flagship Agenda and maintain high quality faculty,

Whereas the first option for obtaining this funding would be a direct appropriation from the general fund,

Whereas an alternate option would be to allow a tuition increase,

Whereas a second alternate option would be to institute an operational fee,

Therefore be it resolved that the Faculty Senate encourage and support the efforts of the administration at LSU to achieve these goals.
