

FACULTY SENATE RESOLUTION 86-06

WHEREAS, class size is limited in some classes because of physical constraints, (i.e., number of computers in EXST 2000 laboratories) and the normal way of limited class enrollment at LSU is to limit the number of class cards available, and

WHEREAS, many class cards are picked up by students but never turned in, and

WHEREAS, some students who enroll drop the class without attending, and

WHEREAS, other students are denied access to these classes because of the lack of cards, and

WHEREAS, no formal policy exists at LSU which allow departments to address this problem,

THEREFORE, BE IT RESOLVED that the Faculty Senate request that the administration of the University develop a policy for handling this situation.
