

FACULTY SENATE RESOLUTION 88-21

WHEREAS other major universities offer many more services to recruit and retain faculty and to bolster faculty morale than does LSU, and

WHEREAS faculty morale significantly affects performance, and

WHEREAS the Faculty Services committee of the Faculty Senate received overwhelming support to its query about needs at LSU, and

WHEREAS these problems could be addressed with minimum expenditure and maximum benefit;

THEREFORE, BE IT RESOLVED that a permanent Faculty Senate Services Committee be established and that the Faculty Senate request that the incoming Chancellor establish an Office of Faculty Assistance with preferably a full-time staff member assigned to assist faculty in various non-academic ways.
